Rethinking Turboexpanders

Exclusive LAT On-Skid AMB Controller & PLC Design

Exclusive LAT Design!

ARES AMB Turboexpander-Compressor with Skid-Mounted AMB Controller and PLC Panel for Midstream Plant Processing of 60-300MMSCFD

On-Skid AMB Controller Benefits:

- Expedites EPC Design | Build | Delivery Timeline
- Simplifies & Accelerates Installation | Commissioning | Operation
- Saves on CAPEX & OPEX
- Condenses Skid Footprint
- Comparable Price to Oil Bearing Units
